

The Voice of European Materials Handling, Lifting & Storage Equipment Manufacturers

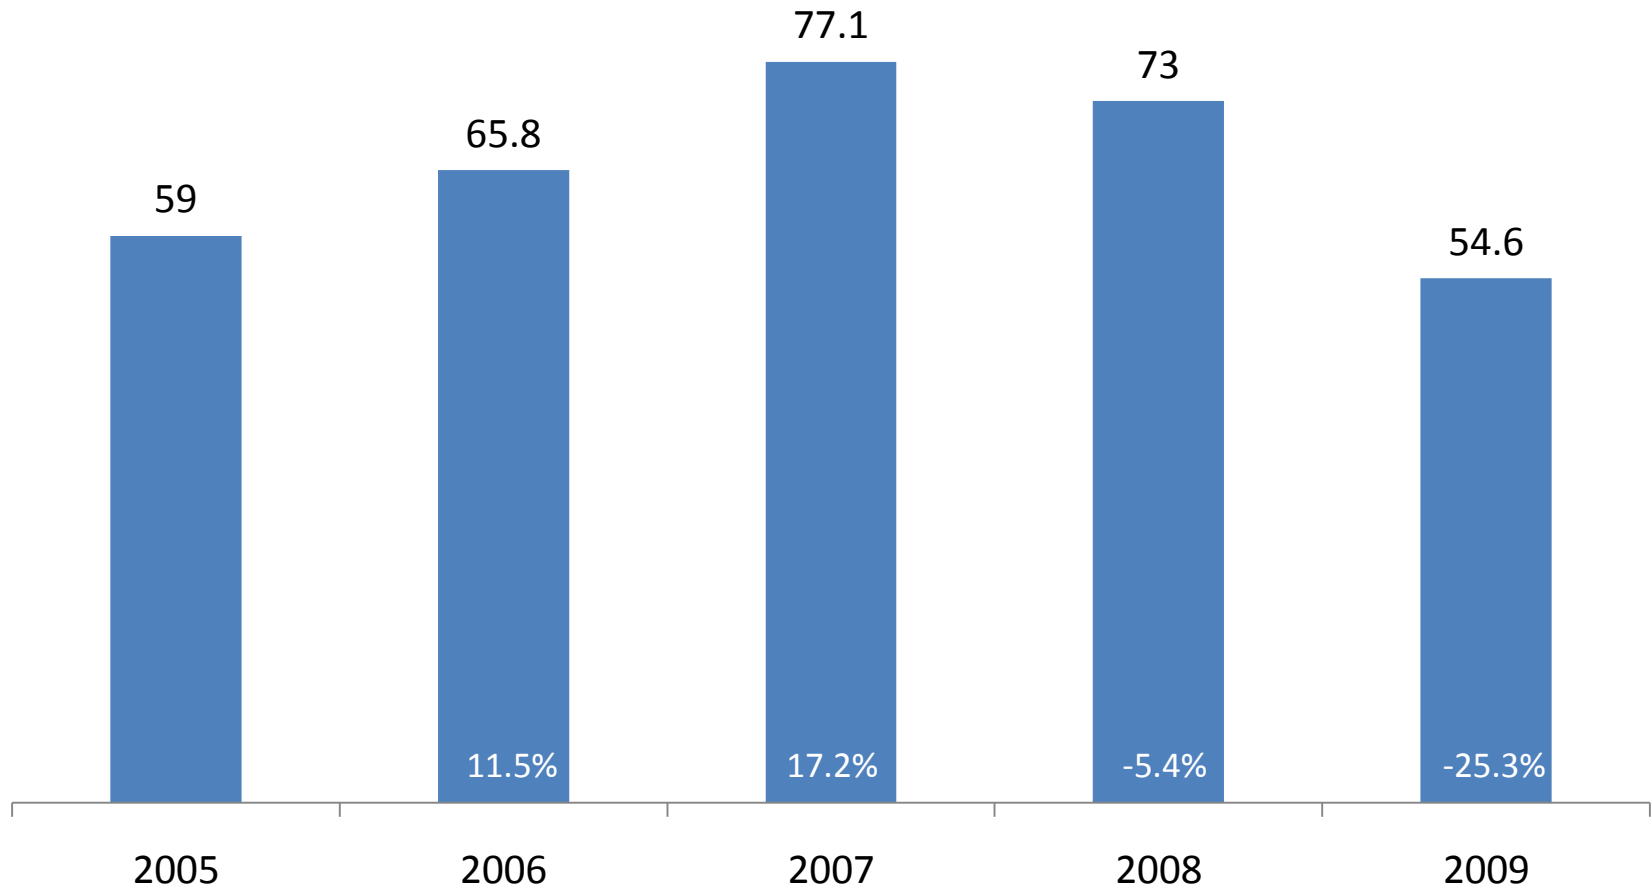

Statistics 2005-2009

Composition of materials handling, lifting & storage equipment

Materials handling & lifting equipment: conveyors, elevating equipment, industrial trucks, intralogistic systems (hardware) and mobile elevating work platforms

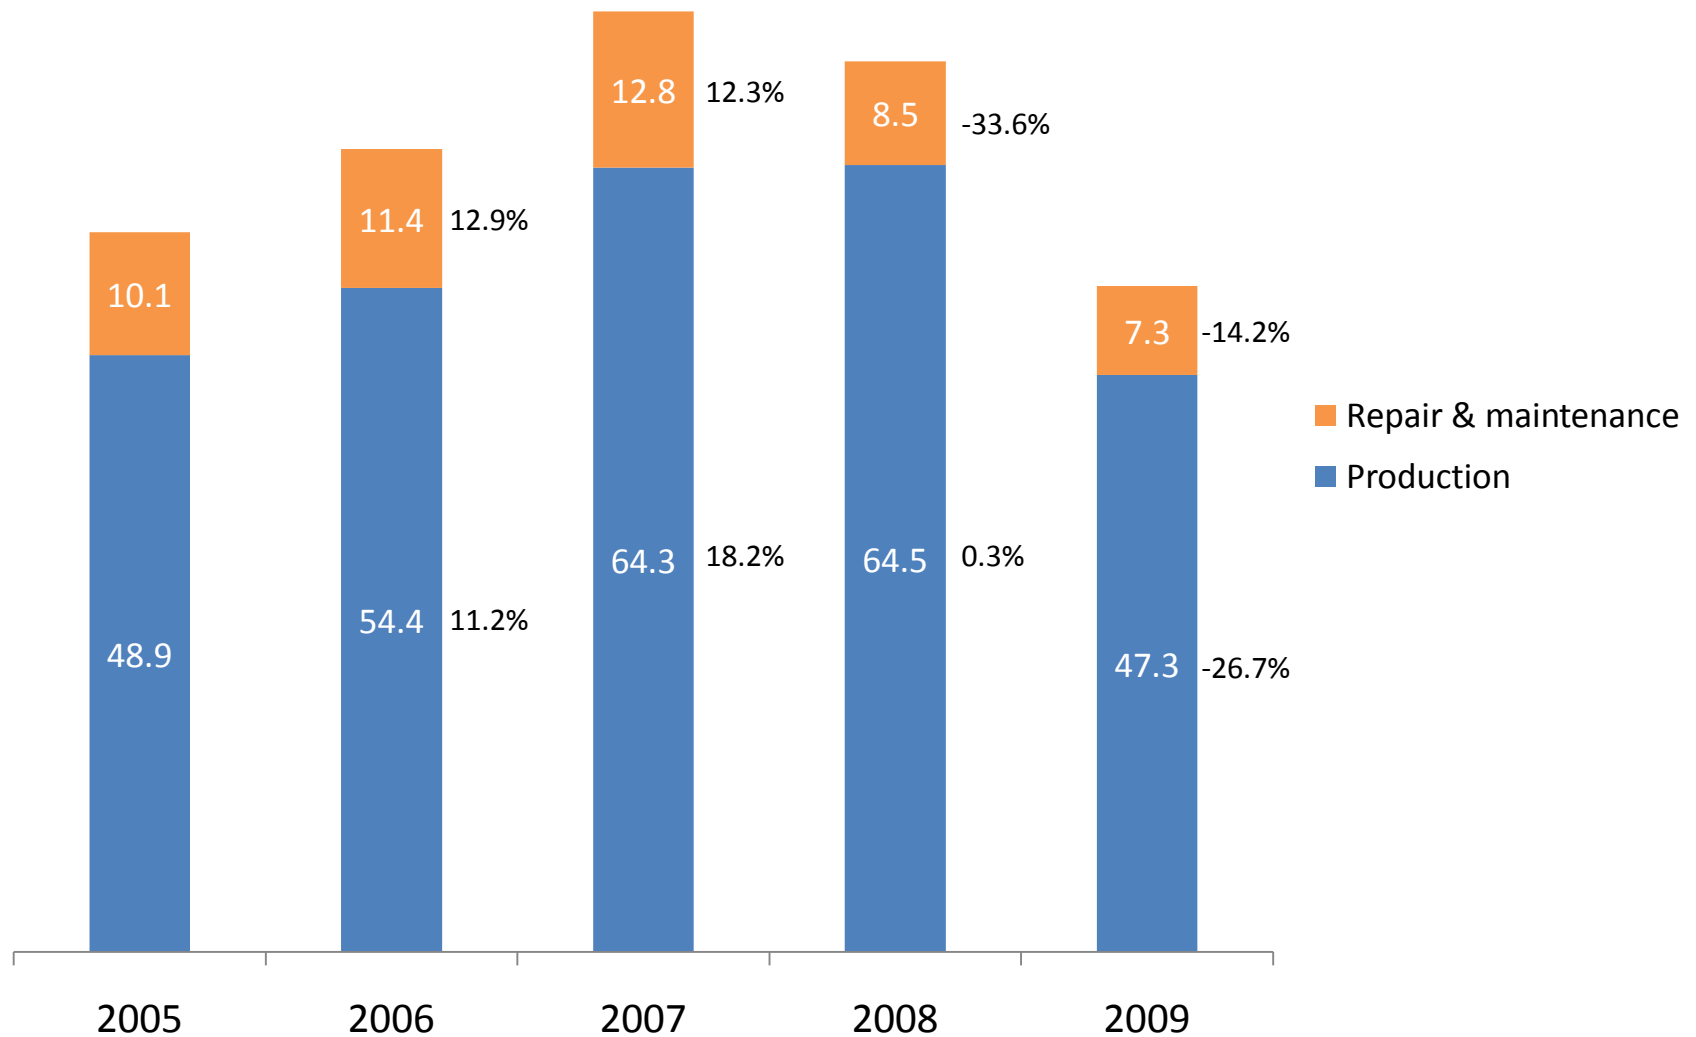

Materials handling equipment production value* (EU27 / €bn)

Source: FEM, VDMA, Eurostat

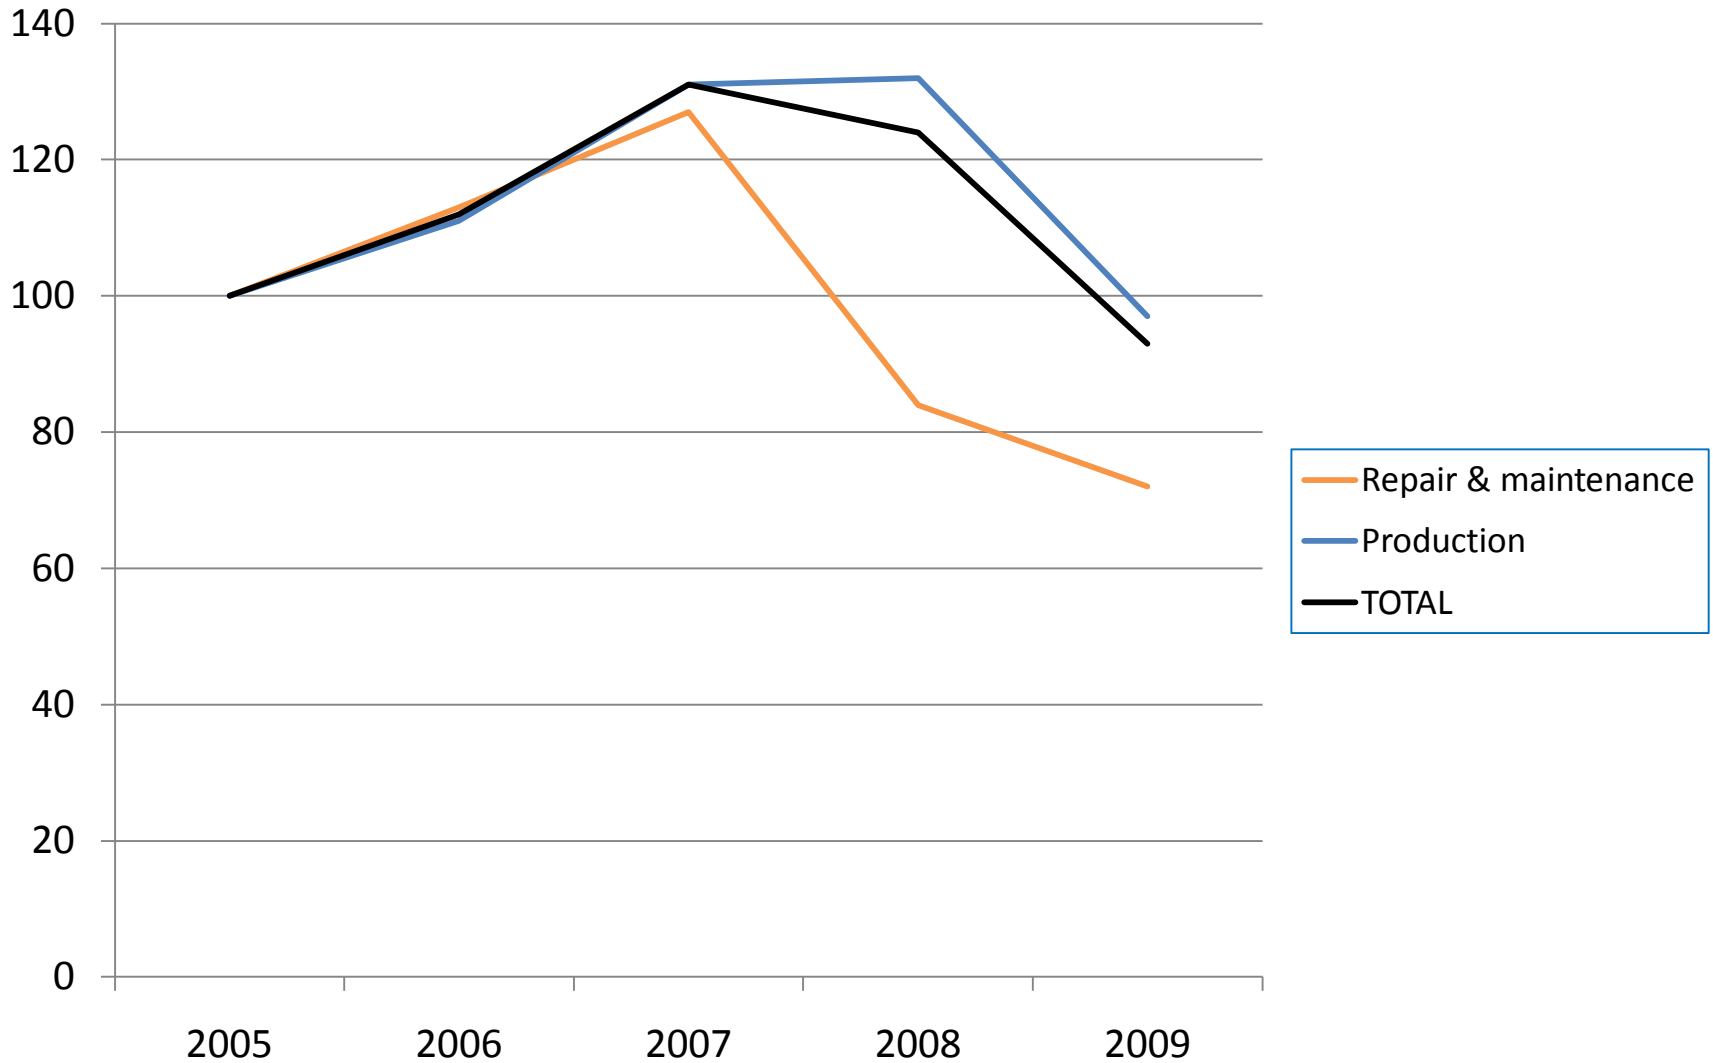

* Including repair & maintenance

Repair & maintenance of materials handling equipment (EU27 / €bn)

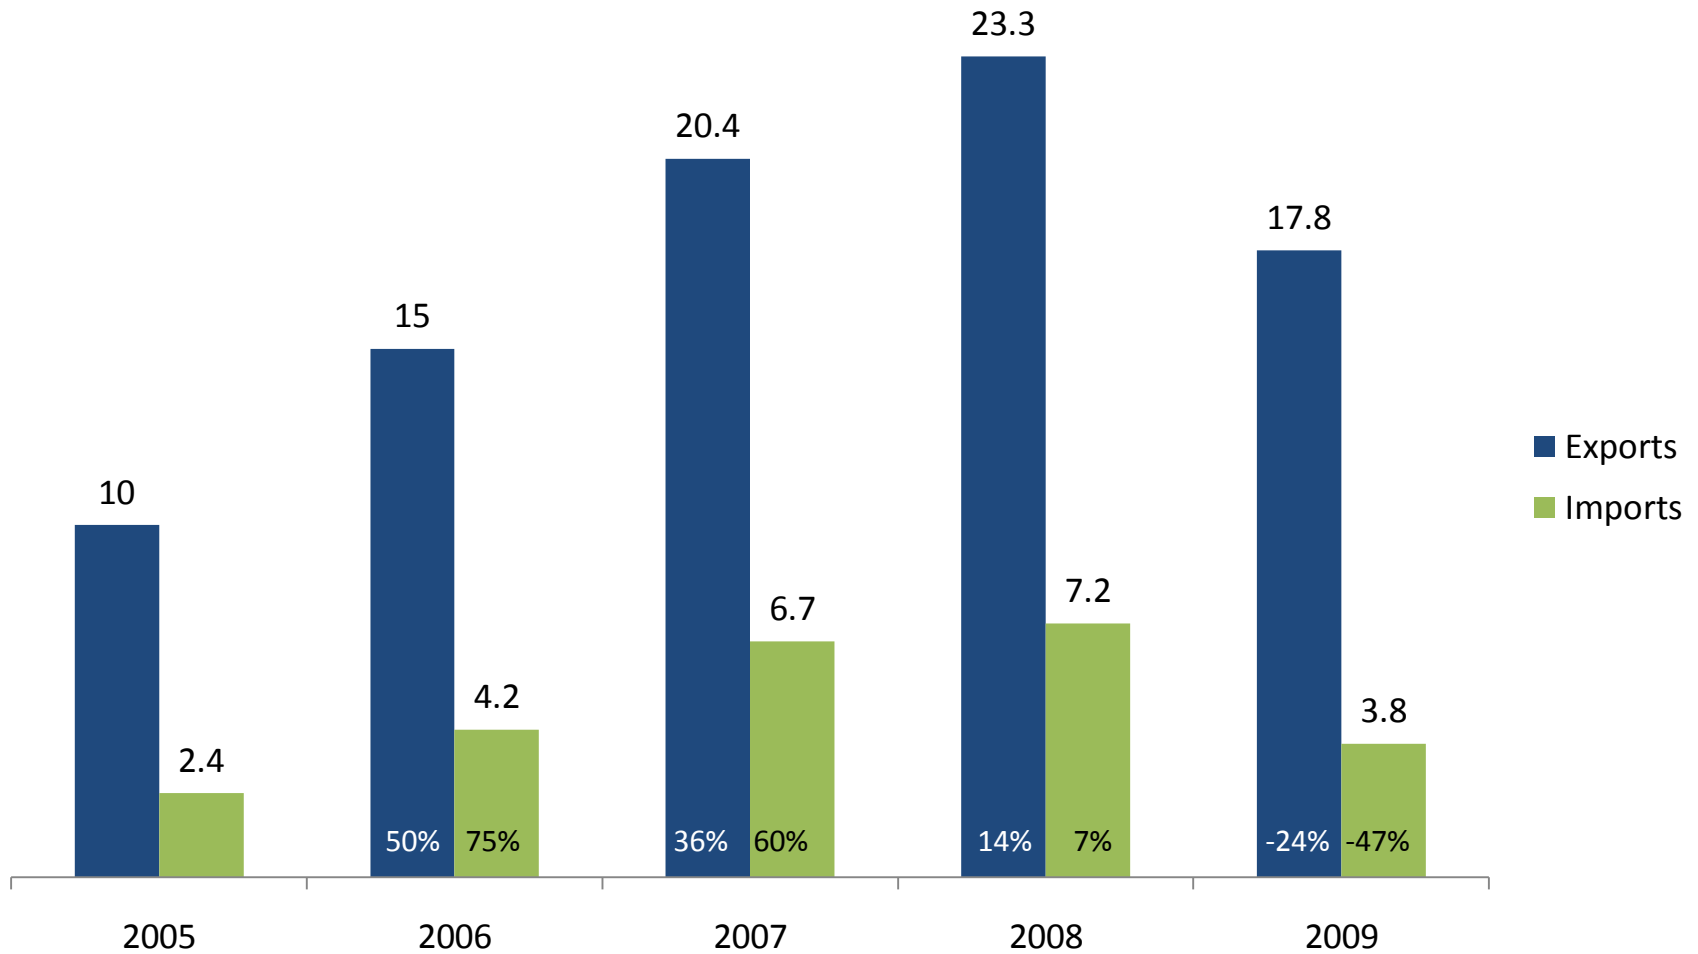

Source: FEM, VDMA, Eurostat

Indexed evolution of production value (EU27)

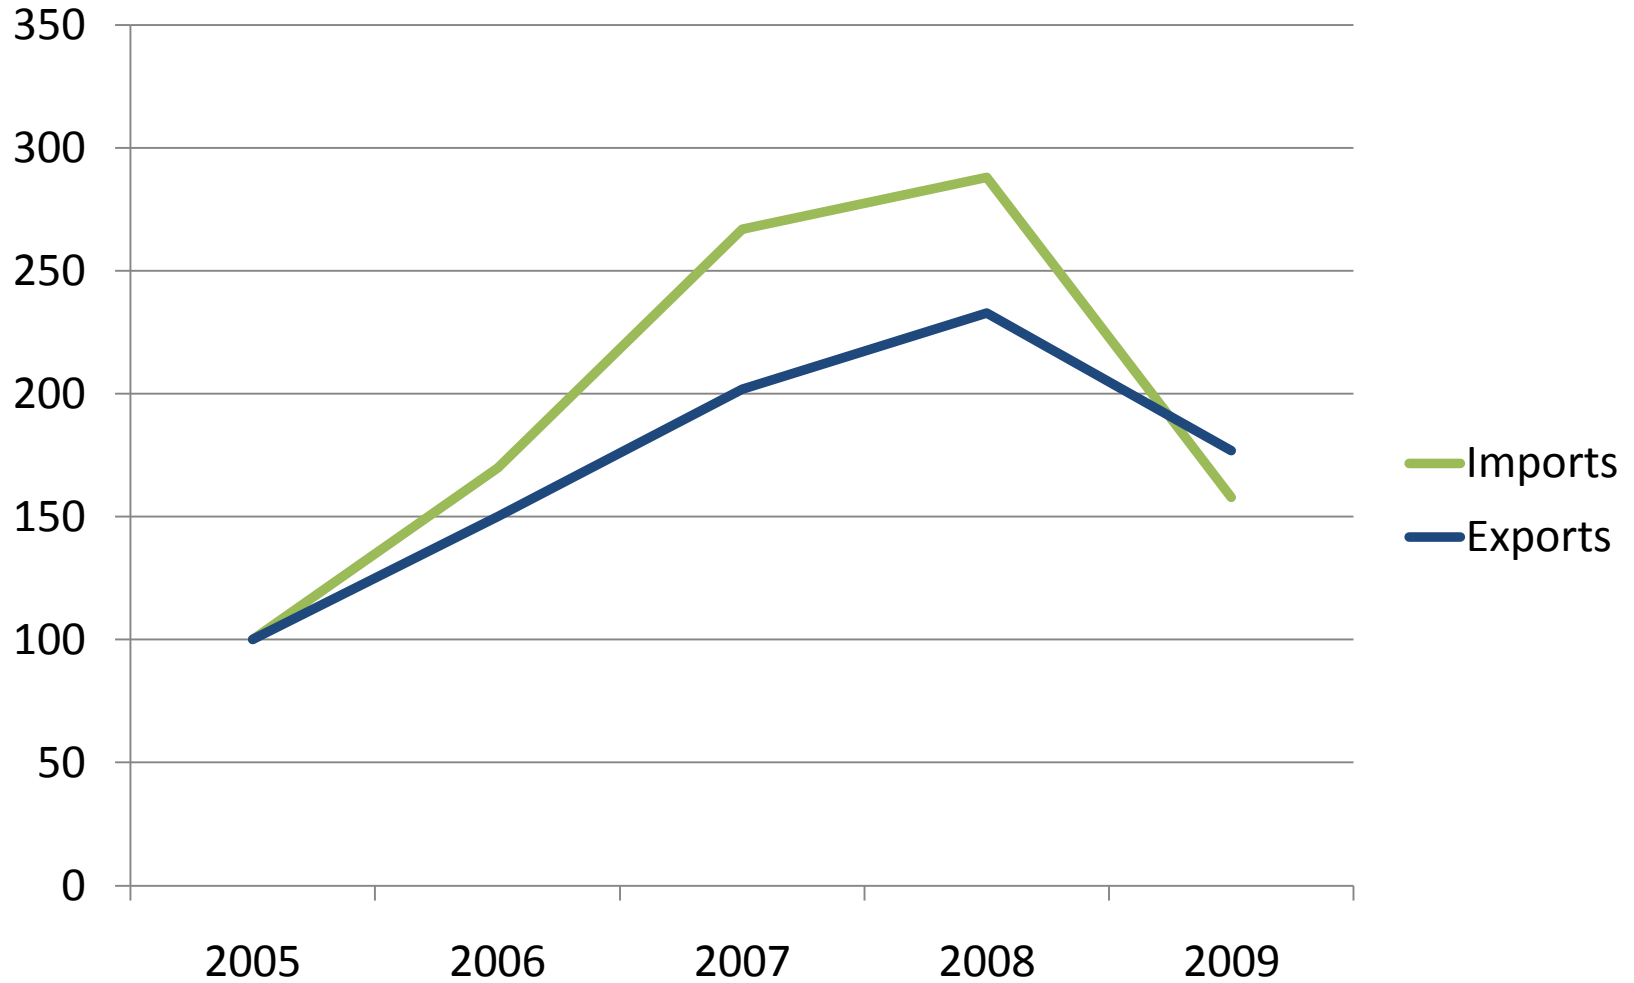

Source: FEM, VDMA, Eurostat

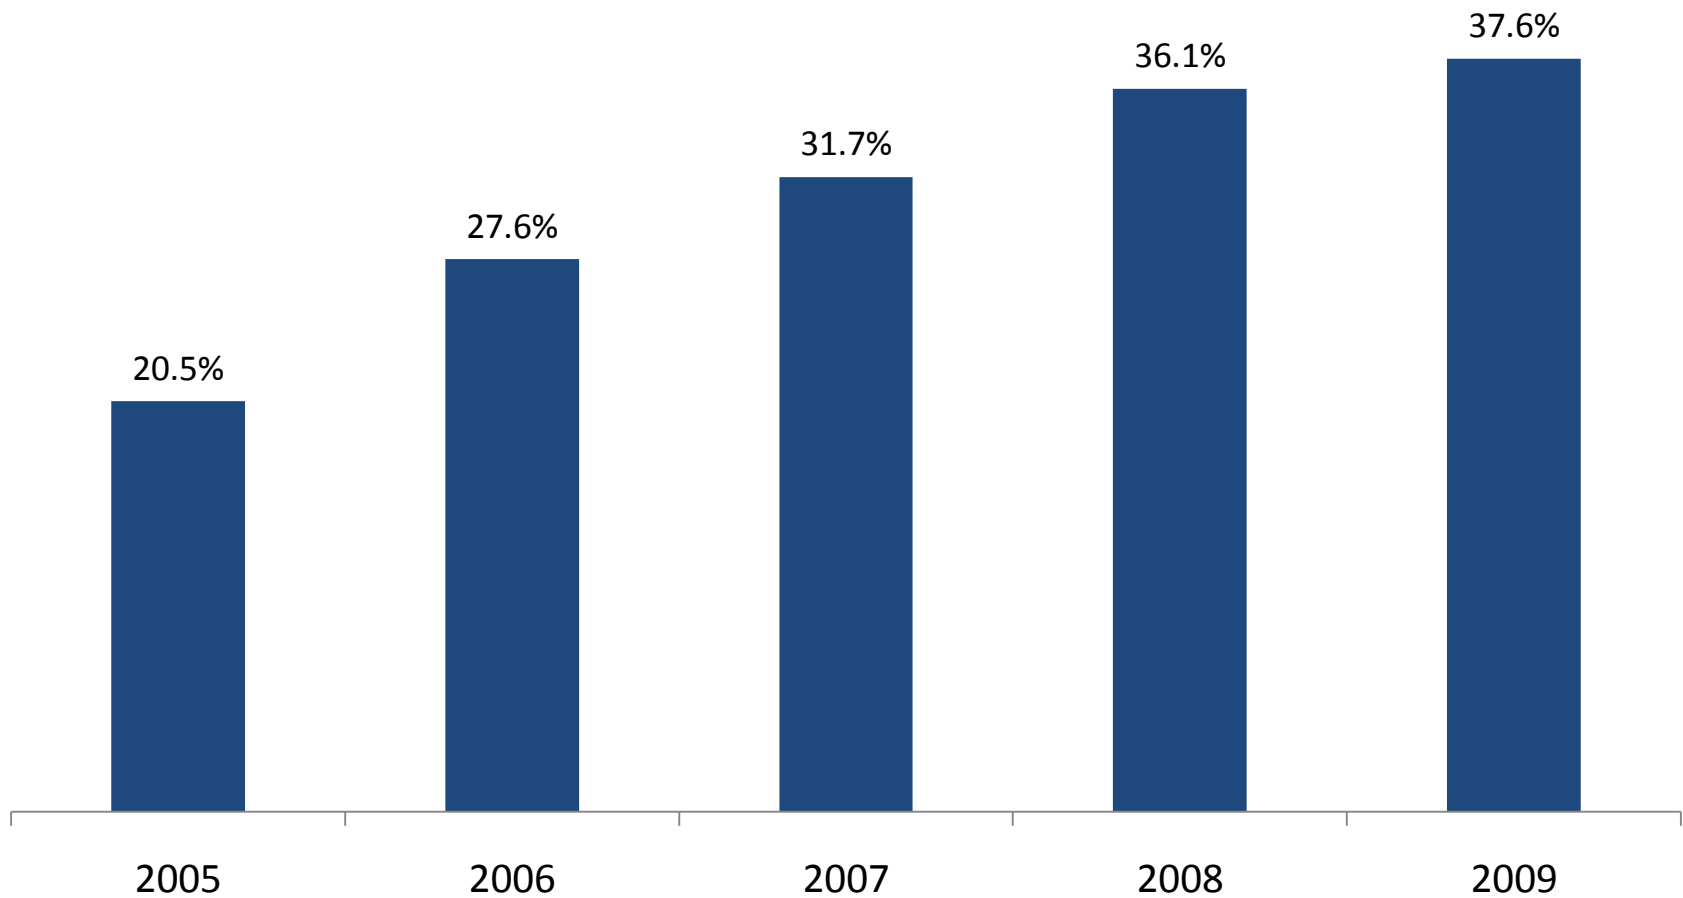

External trade of materials handling equipment* (EU27 / €bn)

Indexed evolution of materials handling equipment's external trade (EU27)

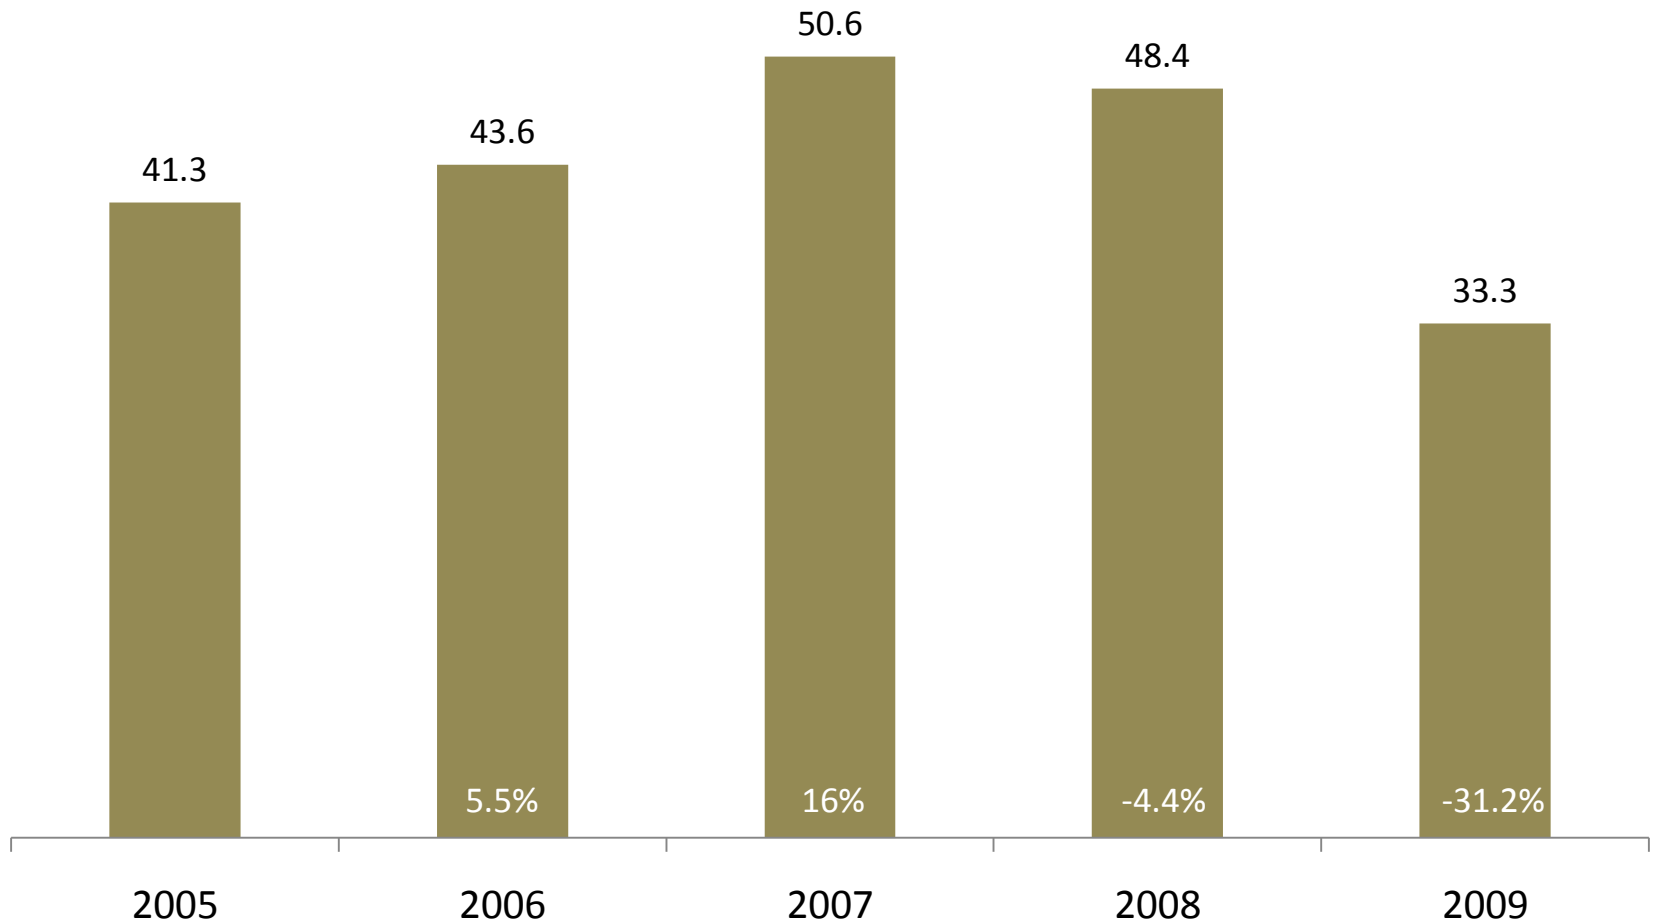

Share of exports in production value* (EU 27)

Source: FEM, VDMA, Eurostat

* Excluding repair & maintenance

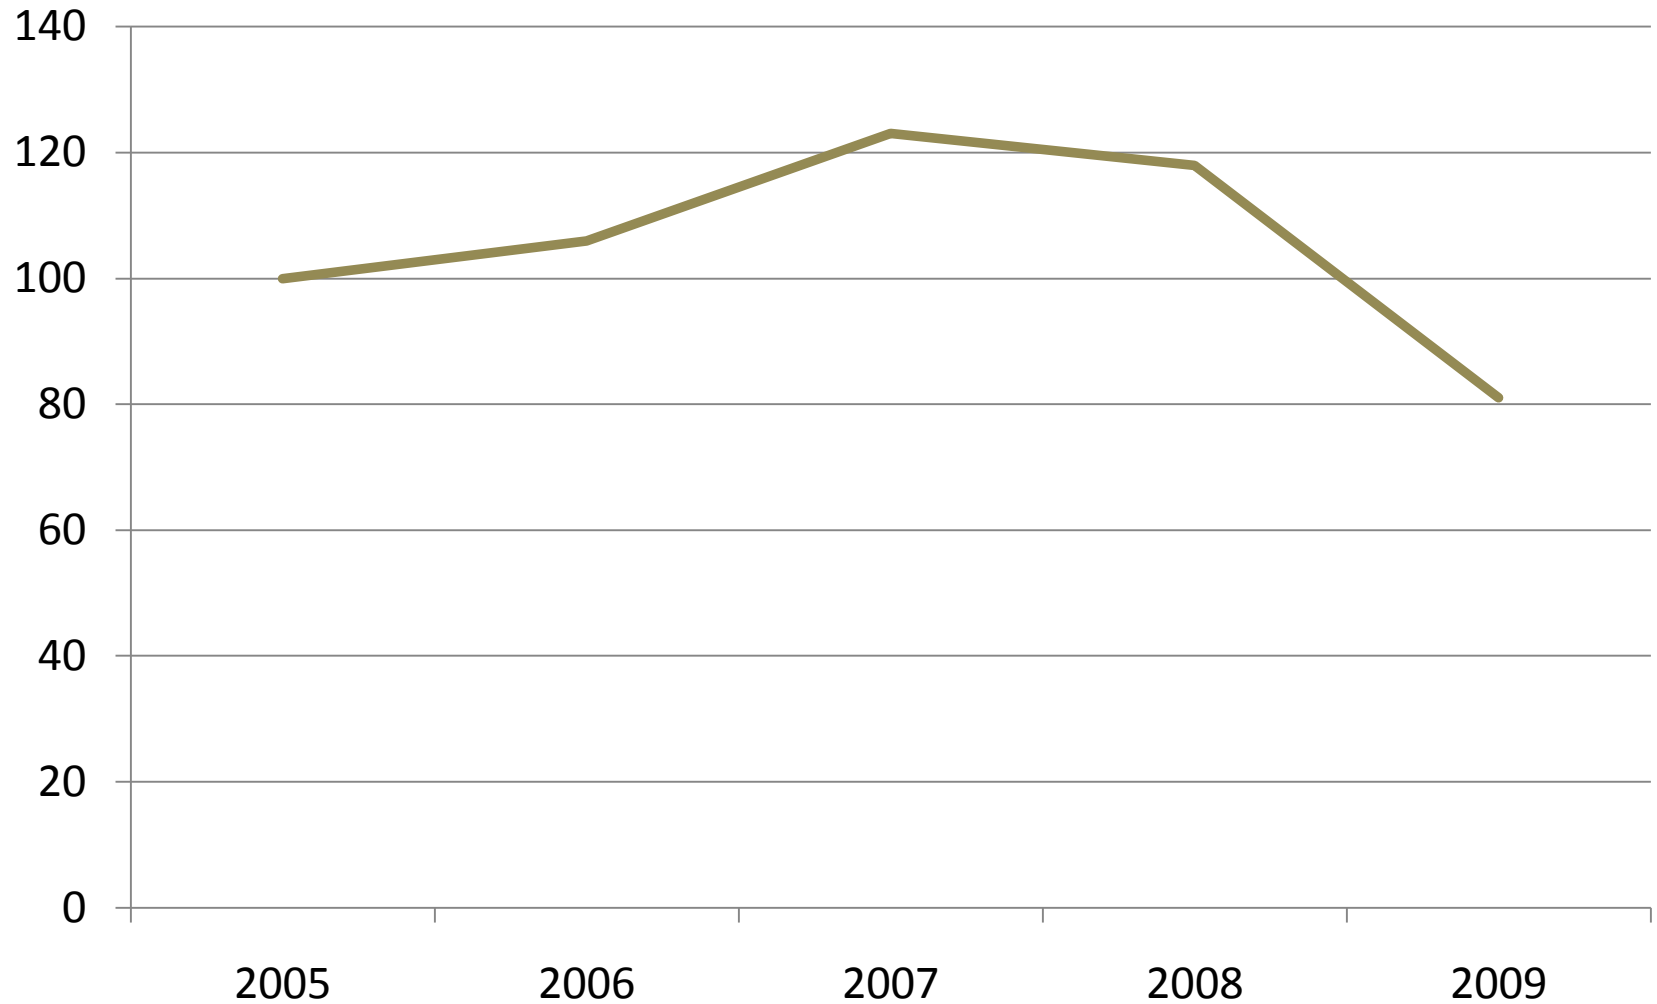

Domestic demand* (EU27 / €bn)

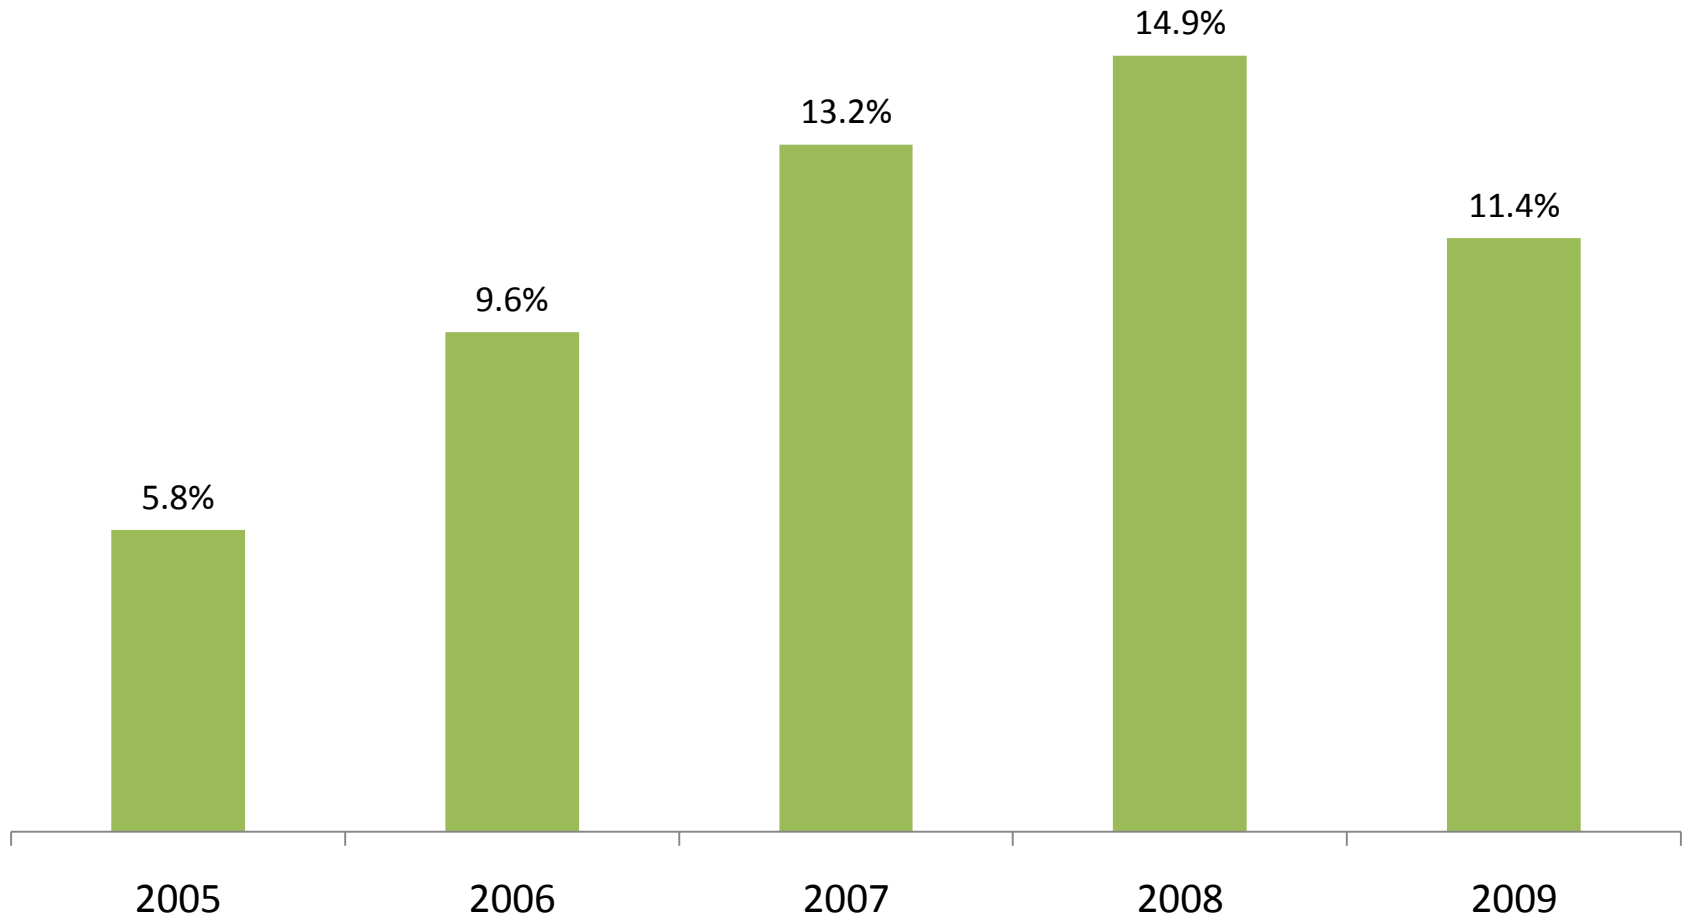

Source: FEM, VDMA, Eurostat

* (production + imports) - exports, excluding repair & maintenance

Domestic demand* (EU27 / index)

Share of imports in domestic demand* (EU 27)

Source: FEM, VDMA, Eurostat

* Excluding repair & maintenance
