# ESTA AND FEM EXPERTS SUMMIT

## NEW CHALLENGES IN ON-SHORE WIND FARM CONSTRUCTION

### SAFETY, PRODUCTIVITY AND THE SUPPLY CHAIN

#### A one day conference and reception, with leading industry speakers from across the sector.

The programme will include risk management, detailed accident reviews, crane design, productivity, on-site delivery and transportation standards and improving supply chain relationships

The organisers intend to improve communication across the supply chain through this unique summit – from developers and turbine manufacturers to crane and transport manufacturers and rental companies – helping to raise standards, boost productivity and reduce the number of accidents.

The summit is organised and supported by ESTA (the European Association for Abnormal Road Transport and Mobile Cranes) and the Cranes and Lifting Equipment Product Group of FEM (the European Materials Handling Federation).

#### Who should attend:

All those trying to reduce accidents, improve safety and boost productivity during the transportation and erection of on-shore wind turbines, and who want to hear about the latest innovations and developments.

For further information go to [www.estaeurope.eu/summit](http://www.estaeurope.eu/summit)

## PROGRAMME

Full details of the summit programme and speakers will be published shortly.

### The summit ten-point outline is as follows\*

1. Keynote presentations – setting the scene presented by a leading turbine manufacturers, developers and crane/transport companies.
2. Problems observed during lifts on wind farms - a review of accidents and their causes
3. Wind and wind energy in the cranes sector – calculating risk and the assumptions of the mobile crane designers
4. On-site delivery; achieving best practice in access road design, layout and construction
5. Thinking out of the box; crane design, longer booms and tower crane solutions
6. Trailer innovations – dealing with bigger turbines
7. Port handling, authority requirements and permitting
8. Risk management and an effective supply chain
9. Training, education and the role of the safety authorities
10. What to do next – experts' round table discussion, and follow-up plans

The summit will be followed by a networking drink details to follow.

## DELEGATE BOOKINGS & SPONSORSHIP OPPORTUNITIES

### DELEGATES:

We have kept ticket prices as low as possible, with the aim of breaking even. Prices will include full access to the event, coffee and tea, buffet lunch and the post-conference drinks and canapés reception.

**Early booking rate:** €295 per delegate

*Available until 22<sup>nd</sup> January 2017.*

**Standard booking rate:** €395 per delegate

*From 23<sup>rd</sup> January 2017 onwards*

To book your place, please go to the summit section on the ESTA website at [www.estaeurope.eu/summit](http://www.estaeurope.eu/summit) or contact the events team.

Created & organised by

### SPONSORSHIP:

Sponsorship offers you the chance to demonstrate your commitment to supporting safety and innovation in the industry, to promote your company, brand, products and services to a key group of equipment user's, and to network with senior industry managers and thought-leaders.

#### SPONSORS WILL RECEIVE:

- On-stage branding during the event
- A table top and room for two pull up banners in the delegate coffee/lunch/drinks reception area
- Branding on all marketing collateral and editorial material, before and after the event
- Branding and company profile on the event website, with a link to the sponsor's website
- Five free conference tickets for your own guests
- A full page advertisement in the delegate conference brochure.

**The cost of each sponsorship package will be just €3,450**

#### FURTHER OPPORTUNITIES

Sponsoring the lunch and drinks breaks, lanyards, and conference bags are available on request, to existing sponsors.

If your organisation would like to a sponsor and support the Summit, please contact Graham Anderson, ESTA Communications Officer, on:
